Our Summer Camp Bus Transportation Is Convenient While Helping the Environment

Did you know most camps offer convenient bus transportation from many of Rockville's neighborhoods? Make your life easier by signing up to use the buses. You'll also help improve the environment by reducing emissions and the number of cars on the road! Look for this bus symbol by the camps that include transportation.

Here's how it works:

Transportation is provided by MCPS buses. Buses pick up campers at designated City sites (see list) between 8:10-8:45 a.m., returning between 3:20-3:50 p.m. Bus pick-up/drop-off points are not staffed.

- Campers should arrive at their bus stop by 8:10 a.m., particularly on the first two days of each camp session. By the third day of a session, a more accurate time schedule will have been established for each bus stop.
- Campers are picked up at the designated bus stops in the morning and bused to Welsh Park. Campers are then reassigned, with the assistance of camp staff, to their specific camp bus and transported or walked to camp. In the afternoon, this procedure is followed in reverse. Every effort will be made to follow an established bus schedule; however, mechanical failures and traffic conditions may cause delays.
- Parents/guardians must meet their child at the bus stop in the afternoon. If your child is allowed to walk home alone, a written note must be given to the bus driver. Also, it is important that parents communicate in writing with camp staff when their child's transportation arrangements change.
- In order to reduce the amount of time campers are on the buses and to maximize efficiency of the camp transportation, the City may eliminate bus stops where there are fewer than five campers registered. Notification will be made.
- Bus routes are subject to change at the start of each new camp session. This may change pick-up and drop off times.
